Dear Examiner:

I am enclosing the appropriate fee "1.17 (a)(1) - Patent Extension of Time Fee - \$ 60.00 small entity).

As you know, you have identified some problem areas in your response. I am currently implementing the appropriate changes, but I am having difficulty downloading the material (especially the drawings). You told me that I could get the information off the website, but you didn't exactly know how. I called Invention Assistance at 1-866-217-9197 and they gave me a reference number for the call # 1-101744111 on 12/7/07 and Chris walked me through the process of recovering the needed information.

Unfortunately, I am having trouble with getting your PDF viewer to work with my computer. I have a friend who is a computer tech who currently helping me solve this problem.

I will forward the needed changes to you as soon as possible, hopefully within the next few days.

Thanks for being patient. I am doing everything possible to make the corrections at this time.

Sincerely,

John Endicott
